

LOGISTICS AND OPERATIONS www.macysnet.com

March 10, 2008

Dear Vendor:

As you may know, Macy's is in the process of consolidating certain store groups and will be making significant changes to the Macy's network as a result. **Specifically, beginning May 5, 2008:**

Click on the [blue](#) links below for store location information.

- [Macy's North stores will convert into the Macy's East Division](#)
- [Macy's Midwest stores will convert into the Macy's South Division](#)
(Note Macy's South will be renamed Macy's Central)
- [Macy's Northwest stores will convert into the Macy's West Division](#)
- [Excel version Store to DC listing](#)

The foregoing consolidations will result in changes to store numbers and other data. Please see attached store listing for new store numbers. As always, the applicable Purchase order is your guide as to where and how you are required to ship merchandise. Your EDI ASN (856) and invoice (810) must be sent to the corresponding mailbox from which the original EDI PO (850) was generated, using the store locations on the original PO. Please review the following and update your records accordingly.

For further details on the foregoing and other additional information on the Macy's Vendor Standards, please visit www.macysnet.com and click on **Updates** or, as always, if you have any questions, you may contact our Vendor Service Helpdesk at 513-782-1412. For specific EDI mapping questions contact 513-782-3182 or 513-782-1873. Thank you for your continuing support.
