REMINDER NOTICE
Division Consolidations

March 10, 2008 Macy's communicated that beginning May 5, 2008 specific store groups will be consolidated:

- **Macy's North stores will convert into the Macy's East Division**
- **Macy's Midwest stores will convert into the Macy's South Division (Note Macy's South will be renamed Macy's Central)**
- **Macy's Northwest stores will convert into the Macy's West Division**

The foregoing consolidations will result in changes to store numbers and other data. **As always, the applicable Purchase order is your guide as to where and how you are required to ship merchandise.** Your EDI ASN (856) and invoice (810) must be sent to the corresponding mailbox from which the original EDI PO (850) was generated, using the store locations on the original PO.

For further details on the foregoing and other additional information on the Macy's Vendor Standards, please visit www.macysnet.com and click on **Updates** or, as always, if you have any questions, you may contact our Vendor Service Helpdesk at 513-782-1412.

Thank you for your continuing support.
