If you are shipping containers, the merchandise for the above stores/receiving locations should be shipped separately to the designated receiving location. These containers should be sent through the nearest port for each Federated receiving location. All containers must be submitted through FDSNET for routing instructions and to generate a pick up/appointment request for the Dayton and Stone Mountain receiving locations.

An Advance Ship Notice (ASN) must be used for all incoming orders. It must reflect the appropriate distro and inbound Federated receiving location.

Any questions regarding this procedure should be directed to the Federated Logistics Transportation Office at (770) 913-4608.
