Subject: Federated Inovis Migration

Date: July 12, 2005

Dear Trading Partner:

Federated Department Stores completed its migration to Inovis on June 9, 2005, at 11am EDT. Accordingly, please be advised that Federated no longer connects to the IBM IE (Information Exchange - also known as Advantis) VAN.

Effective September 12, 2005 redirect for interconnection to Federated via IE will be discontinued. You must contact Inovis to discuss mailbox options well before Monday September 12, 2005. We recommend that you contact Inovis by no later than August 12, 2005. Inovis can be reached via email at federated@inovis.com

Please email EDISupport@fds.com for additional questions or concerns.

Your cooperation is anticipated and very much appreciated.

Regards,
Marilyn Jolly
