

Federated Stores Geographic Realignment July 30, 2006

Dear Vendor:

We appreciate and thank you for your support as we continue with the Federated-May integration. As you know part of this integration involves May to Macy's transitions. However, because we are geographically realigning the Macy's and former May divisions there are store division alignments that have to be modified to make the most efficient means of shipping and receiving goods. The spreadsheets attached outline the **16** stores that are involved in this transition effective 7-30-06. Please make note of the new ship to locations. The **Purchase Order (PO)** is your guide for shipping. **Do not convert these orders.** Ship as indicated on your PO .

Continue to utilize the help desk at 513-782-1412, to answer any questions you may have regarding the Federated-May integration. Please make note of the number and provide it to any necessary parties in your organization.

Continue to monitor FDSNET at www.fdsnet.com/may for all operational information on the Federated-May merger.
