

REMINDER: February 7, 2014

INITIAL PUBLICATION: December 2, 2013

Dear Vendor:

As you know, Macy's is rapidly evolving into a seamless omnichannel retailer that provides customers what they want, when they want it, and how they want it. This is requiring us to change some of our processes and systems – both internally and in the way we interface with our vendor resources. The following describes some changes you will need to make related to shipping and invoice information for dresses you sell to Macy's.

As with all transactions, **the EDI transmitted purchase order must continue to be your guide.**

- Macys.com fulfillment center locations will be added. The “new” Macy's (Trading Partner ID 6113310071) location numbers for poolstock locations are:

Macy's Location #	Macy's Location Description
846	CFC Martinsburg – PS
852	CFC Portland – PS
858	CFC Goodyear - PS

- Purchase orders previously generated and EDI transmitted for macys.com (Trading Partner ID 6113310088) warehouse locations **will not be re-transmitted. Please process and ship those previously generated purchase orders as-is. In the future, purchase orders for macys.com warehouse locations will be generated and transmitted by Macy's** (Trading Partner ID 6113310071).
- You will begin to receive EDI transmitted purchase orders with these changes in mid-December, 2013. The In DC dates for these purchase orders will be February 10th, 2014 and after.
- **Advanced Ship Notices (EDI856) and Invoices (EDI810) must be sent to the same Trading Partner ID and use the same location numbers transmitted on the Purchase Order (EDI850).**
